

# AN ACT

*Of the Parliament of the Bayer Free State*  
*Reference code ACT\_2021\_00008*

---

*Be it enacted by this Parliament, That, this legislation shall be cited as the “2022 Flag Act (No. 2)”.*

## Article 1. The Flag of the Bayer Free State

### Section 1

The flag described in [Schedule 1](#), a reproduction of which is set out in [Schedule 2](#), shall be the Flag of the Bayer Free State.

### Section 2

The Flag of the Bayer Free State shall have the colours specified in [Schedule 3](#).

### Section 3

When displayed vertically, the orange stripe of the Flag shall be on the left side of the observer.

## Article 2. The Flag of the Bayer Free State in Minecraft

When used in the Constituent State of Fidelissma or any other Minecraft server as a block, the Flag shall be represented by a block described in [Schedule 4](#), or any of its visual equivalence.

## Article 3. 2022 Flag Act Repealed

The 2022 Flag Act, with the reference code of ACT\_2022\_00000, is hereby repealed.

# Schedules

## Schedule 1. Design of the Flag

The Flag of the Bayer Free State shall be a horizontal tricolour of cyan, black, and orange; each band of colour is separated by a narrow band of white. The flag shall measure forty-five units across and thirty units down. It shall be divided into horizontal stripes which shall have the following colours and dimensions from the top to the bottom:

- Cyan: ten units;
- White: two units;
- Black: six units;
- White: two units;
- Orange: ten units.

## Schedule 2. A Reproduction of the Flag
